

MOUNT LITERA ZEE SCHOOL, AGRA

SUMMER HOLIDAY HOME WORK 2018-19

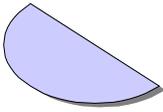

Class Nursery

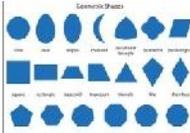

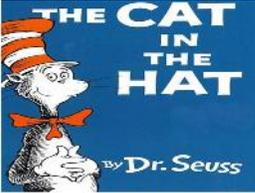

The wonders of where we are
 And where we'll be
 What we do
 And what we see.
 What we find
 and what we seek,
 Not everyone knows
 And I just wonder--- mom and dad
 Could you spend some time with me....

Dear Parent, As the school closes for the summer break on May 14, 2018; we have planned some activities / worksheets / projects for your child to enhance his / her learning skills in a fun – filled way. To encourage your child's self – esteem and feeling of courage, help your child discover his / her hidden talents and interests. Keeping the same objective in mind we have divided the homework into two categories.

1. The first category would be the Fun-Activities which can be done with your children at home so that you have the opportunity to spend some quality time with them and can be informative and interesting at the same time.
2. The second category would have the worksheets which can be helpful for the little ones.
