

Circular No: 25/18-19

Date: 23/10/18

Dear Parent/Guardian:

In order to provide your child with every opportunity to be successful in his/her classes and in the exams, MLZS has initiated a structured remediation program that will begin on October 27th, 2018 for classes IX, X and XI. This program is an opportunity for all students to review and strengthen skills that are being taught in core classes. Classes are also designed to assist students on the periodic assessment and the annual exams. Parents will be informed about the classes on prior basis.

The program will not focus on homework or classwork completion; but on actual classroom instruction; where a teacher will facilitate a lesson each day. The school will not provide transportation, so please make arrangements to pick and drop students. Students must be picked up and signed out of the school gate. An Administrator, Ms. Gayatri Vaswani, will always be on duty during the remediation sessions. Negative student's behavior can result in disciplinary actions as described in the school almanac. Students can also be removed from the program; if they display negative behavior of any sort, fail to report to the class as designated, or fail to complete work or display interest within the program. Students who are consistently picked up late from remediation will also be removed from the program. Please have your child return this sheet to his/her classteacher. If you have any questions; please contact Ms. Gayatri
