Dear Parents,

Fragrance in the WIND, Things look more and more BRIGHTER,
PLEASANT environment, GIFTS, SWEETS, LIGHTS everywhere
When DIWALI IS IN THE AIR...

The school has organized an **eco-friendly Diwali Celebration on Monday, 5th November 2018** for all the students of the Pre-Primary section. Students to come dressed in their best traditional wear. They can look forward to a host of activities which will revolve around the significance of celebrating a pollution free Diwali like RALLY (voice against crackers), DIYA DECORATION and eventually DIWALI PARTY where delicious and sumptuous food will be enjoyed. It will be a real fun together.

NANHI UDAAN (Anti Cracker Rally)

Children are the most valuable resources. We at MLZS try to bring out the best within them. Our each little participant would raise a voice against "SAY NO TO CRACKERS". In the morning our tiny tots will take a round of our school premises holding posters and banners on which different slogans will be written in form of a rally. They would request seniors not to burn crackers by saying

" SAY NO TO CRACKERS" & "ABKI BAARI HARI DIWALI".

In this rally we teachers will tell children about the toxic effects of using crackers and motivate them to reduce the use of crackers.

Kindly send a banner with a message written on it along with your child for the rally and a diya for diya decoration activity along with decoration material.

Wishing you and your family a very happy, safe and environment friendly Diwali.

Regards

Principal
