PHYSICAL REOPENING OF THE SCHOOL FOR CLASSES (IX to XII)

Dear parent,

Hope all are keeping safe and staying indoors.

As members of the Literan family it is reassuring to see that unfazed by the circumstances, we all stood United in endeavoring to identify and maximize learning opportunity for students during the last 6 months.

On successfully adapting to digital learning at the beginning of the new academic session we hope that students would now enjoy their well-deserved Dussehra holidays.

As per government guidelines we are ready for the physical reopening of Mount Litera Zee School from Monday i.e., 26th October, 2020 after the culmination of Dussehra break.

In this challenging period of shift from online classes to Physical classes we deeply value and acknowledge your feedback and suggestions.

We would like to share with you that with regard to online lessons the School has already uploaded the content on edowl.com and would continue doing the same of the live physical classes going to happen in the school from Monday onwards.

Kindly note the few pertinent changes incorporated in the schedule for the classes 9th to 12th –

1. No break and lunch time during the school hours
 - We are sensitive to the detrimental effects of the exposure to the students and therefore students are advised not to bring any eatables.
2. Masks and hand sanitizers are compulsory.
 - All students have to ensure that they have to wear the mask and carry their own Water bottles and sanitizer with them.
3. Attendance
 - We would appreciate regularity in attending the physical classes from now onwards.
4. Punctuality
 - The students are requested to enter the school as per the timings well before the class to avoid missing lectures of the day.

We will pursue the following schedule of teaching learning for students from **Monday 26th October, 2020.**

1. Classes would be conducted all six days a week from Monday to Saturday.
2. **Timings will be 8:45 a.m. 12:00 noon.**
3. Each class will be of 40 minutes duration
4. Transport will be available as shuttle service

It is aptly stated that the future belongs to those who strive to reinvent themselves. In this period of emotional upheaval for all, we pledge our commitment to ensuring that every student of MLZS continues to learn ceaselessly, undeniably, our reinforced school - parent partnership will empower the children to emerge as more robust, resilient and future ready young boys and girls. Your unflinching support, cooperation and faith, inspires us to raise the bar of ourselves. We look forward to continued meaningful and constructive academic engagement with your ward.

Stay safe, and connected.
